A Hasmukh Patel Legacy

**Celebrating LEGACY of  
real estate EXCELLENCE &  
30 YEARS of PARTNERSHIPS  
with our customers**

For over 30 years, Hari Group, founded by the late Shri Hasmukhbhai Patel, has been a trusted name in the real estate industry. Our legacy of excellence and integrity, established by our founder, is woven into every home and commercial space we build, creating a foundation of quality that has withstood the test of time.

Under the leadership of our Managing Director, Nisarg Patel, we continue to uphold the values and vision of our founder, delivering properties that exceed our customers' expectations. As a locally-owned and operated company, we understand the unique needs and desires of our community, and take great pride in creating properties that reflect the spirit and character of this city.

Our team of experienced professionals, guided by the wisdom and principles of our founder, has built a reputation for exceptional service, taking the time to listen to our customers' needs and dreams, and working tirelessly to turn those dreams into reality. We believe that a property is more than just a structure - it's a reflection of the people who live or work there, a place to create memories and build successful businesses.

Thank you for choosing us as your partner in creating your dream home or business. It is because of your trust and support that we have been able to build a legacy of quality and excellence that spans over three decades. Come experience the legacy of Hari Group, founded by the late Shri Hasmukhbhai Patel and led by Managing Director Nisarg Patel, and discover the property you've been dreaming of for over 30 years.
